Gentlemen and Mrs. Schmidt:

Attached hereto is a resolution pertaining to a zoning ordinance amendment acted upon by the City Plan Commission at their meeting held November 28, 1977. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance:

1. BILL NO. Z-76-04-55
2. From "R1" to "R3"
3. Intended Use: Office Park
4. Plan Commission Recommendation: DO PASS

This ordinance received a DO PASS recommendation for the following reasons:

- a. A low profile office use such as the one proposed for this site does not conflict with adjacent uses. This particular site is not desirable for single family development. The property presently zoned "R3" located at the southeast corner of E. State Blvd., and the I&M Easement, was rezoned by the Commission in February 1976, for an office project. This petition is requesting the expansion of the same project.
- b. This request will permit a much safer access to the total site.

December 13, 1977

TO THE MEMBERS OF THE COMMON COUNCIL:

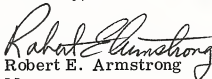

RE: Office of Emergency Services

I am sure that you have now had the opportunity to review my proposal for an Office of Emergency Services, which would combine the duties of the Chairman of the Board of Safety and the Civil Defense Director. The letter from Colonel Mitnick with the job description worked out jointly with the City and his office has also been distributed to you.

It is imperative that these vital areas be covered as quickly as possible, and for this reason I would appreciate having the proposal discussed at your meeting this evening, and your response as to whether it is acceptable to combine the positions and salaries or whether they are to remain separate. In either event, interviewing must begin immediately in order that a qualified individual, or individuals, might be found as soon as possible.

Thank you for your cooperation.

Sincerely,

Robert E. Armstrong
Mayor
